**Buffy the Vampire Slayer: Carnival of Souls** Nancy Holder 2006-04-29 SOMETHING WICKED EVIL THIS WAY COMES. There's something troubling about Professor Caligari's Traveling Carnival. Perhaps it's that no one can recall the arrival of its hard-to-miss caravan of old-style wagons, countless performers, and horse-drawn carts. Maybe it's the creepy calliope music that tirelessly beckons visitors. Let's face it, an enigma that chooses Sunnydale nearly guarantees it's up to more than wholesome family entertainment. After a visit to the carnival's Hall of Mirrors, a once-shy pair of homely sophomore twins parades the halls of Sunnydale High like diva supermodels on a runway. Intuiting the twins' abrupt personality change as more than a self-confidence boost, Buffy -- joined by Angel, Giles, and the rest of the Scoobies -- decides to investigate the suspicious carnival firsthand. But soon it's apparent that the price of admission is higher than she imagined. Those who enter the carnival's attractions exit...changed. Each of the gang soon shows extreme displays of vice. Willow is wracked with envy. Cordelia's greed consumes her. Xander unleashes his gluttony. Angel reveals a lusty new persona. And a dark anger rises in Giles. But it's Buffy's now-blinding pride that threatens to overpower her, and in the process destroy those she loves....

**Chosen by the Vampire Kings** Charlene Hartnady 2016-07-26 Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

*The Enforcement of Morals* Patrick Devlin 2010-01-31 Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: "... For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

The Chosen." -- Faith From a place of nightmares -- which Buffy and Faith share -- a terrible evil invades Sunnydale, setting off disaster. Strangely, Buffy has never given much thought to the young girl whose death activated her own Slayerdom, but now she must draw on the strength of those who came before her. Buffy must orient herself on a continuum against evil that predates even humanity itself....

*The Institute* Stephen King 2019-09-10 From #1 New York Times bestselling author Stephen King whose "storytelling transcends genre" (Newsday) comes "another winner: creepy and touching and horrifyingly believable" (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as *Firestarter*, and with the spectacular kid power of it, *The Institute* is "first-rate entertainment that has something important to say. We all need to listen" (The Washington Post).

*The Last Cowboys: A Pioneer Family in the New West* John Branch 2018-05-15 "A can't-put-it-down modern Western." —Kirk Siegler, NPR Longlisted for the PEN/ESPN Award for Literary Sports Writing *The Last Cowboys* is Pulitzer Prize-winning reporter John Branch's epic tale of one American family struggling to hold on to the fading vestiges of the Old West. For generations, the Wrights of southern Utah have raised cattle and world-champion saddle-bronc riders—many call them the most successful rodeo family in history. Now they find themselves fighting to save their land and livelihood as the West is transformed by urbanization, battered by drought, and rearranged by public-land disputes. Could rodeo, of all things, be the answer? Written with great lyricism and filled with vivid scenes of heartache and broken bones, *The Last Cowboys* is a powerful testament to the grit and integrity that fuel the American Dream.

*Reading the Vampire* Ken Gelder 2002-08-27 Insatiable bloodlust, dangerous sexualities, the horror of the undead, uncharted Transylvanian wildernesses, and a morbid fascination with the `other': the legend of the vampire continues to haunt popular imagination. *Reading the Vampire* examines the vampire in all its various manifestations and cultural meanings. Ken Gelder investigates vampire narratives in literature and in film, from early vampire stories like Sheridan Le Fanu's 'lesbian vampire' tale Carmilla and Bram Stoker's *Dracula*, the most famous vampire narrative of all, to contemporary American vampire blockbusters by Stephen King and others, the vampire chronicles of Anne Rice, 'post-Ceausescu' vampire narratives, and films such as FW Murnau's *Nosferatu* and Bram Stoker's *Dracula*. *Reading the Vampire* embeds vampires in their cultural contexts, showing vampire narratives feeding off the anxieties and fascinations of their times: from the nineteenth century perils of tourism, issues of colonialism and national identity, and obsessions with sex and death, to the `queer' identity of the vampire or current vampiric metaphors for dangerous exchanges of bodily fluids and AIDS.

It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.
