Insurrection Sherrilyn Kenyon 2020-01-02 From the #1 bestselling author of the Dark-Hunters comes an all new tale her fans have been waiting almost two decades to read. A post-apocalyptic tale unlike any you ever seen: The virus ran swiftly on the hot summer breeze. Unseen. Unheard. Unknown. It swept through the entire earth in a matter of months, having mercy on no one. Young—old—it didn't matter. Brought to us by the Drabs, it was the last thing we expected. But the Drabs knew. They even fought a war over whether or not they should save us. In the end, it was decided that we were diseased insects who were unfit to breathe their air. Our air. So they left the human race to die a miserable death of agonizing pain in a matter of months. Left us with no doctors or medicine. Their plan was to rid the earth of us and to take our home as their own. What they never expected was the change that would come after the plague. We didn't all die off as they'd planned. Those under the age of twenty somehow managed to survive the disease. We managed to hide ourselves while our bodies changed. Still human, but now something else. Something more powerful and more intuitive. More pissed off. Now possessed of magical powers and abilities beyond belief, we're still here on this earth, and we're not leaving. This is our home. Our planet. Drabs take note and learn to be afraid. You've had a hundred years here on earth, but now your time here is done. You called us rodents. Insects. Diseased animals. The scraps of humanity—and that, my Drab friend, we certainly are. But what you should have realized is that you can't kill a Scrap. Humanity isn't dead. Not by a long shot. We still have our soldiers and we have our conviction. Most of all, we have hope. And we will win in the end. Whatever it takes. Whatever it costs. We won't allow you to take our planet from us. So count your days, Drabs. The war is on. This edition also contains the short story The Witch of Endor.

Knight of Darkness Kinley MacGregor 2009-10-13 For countless centuries, I've been the assassin for the infamous Merlin, even though the woman who birthed me sits at the right hand of our enemy, Morgen le Fey. Now both my mother and Morgen have decided that it's time I take my place on their side of this conflict. Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to

say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the vilest forces ever known—my mother and Morgen. And two people who know nothing of trust must learn to rely on each other or die: provided we don't kill each other first.
