That is until I discover the truth about what really happened to my real mother—that she might be a murderer. But I refuse to accept that, not until I have proof that it's true. So once again, I turn to Kai for help. Yeah, the two of us are turning out to be a pretty good team of detectives, which is a good thing since a mysterious blue car starts showing up wherever I go. And on top of that, I receive a threatening text from an unknown caller. Kai and I need to figure out who's doing this to me and fast before someone I care about ends up getting hurt.

Emergent Strategy adrienne maree brown 2017-03-20 In the tradition of Octavia Butler, here is radical self-help, society-help, and planet-help to shape the futures we want. Change is constant. The world, our bodies, and our minds are in a constant state of flux. They are a stream of ever-mutating, emergent patterns. Rather than steel ourselves against such change, *Emergent Strategy* teaches us to map and assess the swirling structures and to read them as they happen, all the better to shape that which ultimately shapes us, personally and politically. A resolutely materialist spirituality based equally on science and science fiction: a wild feminist and afro-futurist ride! adrienne maree brown, co-editor of *Octavia's Brood: Science Fiction from Social Justice Movements*, is a social justice facilitator, healer, and doula living in Detroit.
