This Girl Is Different J. J. Johnson 2015-10-06 What happens when a girl, homeschooled by her counterculture mother, decides to spend her senior year in public school? First friendship, first love—and first encounters with the complexities of authority and responsibility. Evie is different. Not just her upbringing—though that's certainly been unusual—but also her mindset. She's smart, independent, confident, opinionated, and ready to take on a new challenge: the Institution of School. It doesn't take this homeschooled kid long to discover that high school is a whole new world, and not in the ways she expected. It's also a social minefield, and Evie finds herself confronting new problems at every turn, failing to follow or even understand the rules, and proposing solutions that aren't welcome or accepted. Not one to sit idly by, Evie sets out to make changes. Big changes. The movement she starts takes off, but before she realizes what's happening, her plan spirals out of control, forcing her to come to terms with a world she is only just beginning to comprehend. J. J. Johnson's powerful debut novel will enthrall readers as it challenges assumptions about friendship, rules, boundaries, and power.

The Gum Thief Douglas Coupland 2009-03-18 The first and only story of love and looming apocalypse set in the aisles of an office supply superstore. In Douglas Coupland's ingenious new novel—sort of a Clerks-meets-Who's Afraid of Virginia Woolf—we meet Roger, a divorced, middle-aged “aisles associate” at a Staples outlet, condemned to restocking reams of twenty-lb. bond paper for the rest of his life. And then there's Roger's co-worker Bethany, who's at the end of her Goth phase, and young enough to be looking at fifty more years of sorting the red pens from the blue in Aisle Six. One day, Bethany comes across Roger's notebook in the staff room. When she opens it up, she discovers that this old guy she's never considered as quite human is writing mock diary entries pretending to be her—and spookily, he is getting her right. She also learns he has a tragedy in his past—and suddenly he no longer seems like just a paper-stocking robot with a name tag. These two retail workers strike up a peculiar and touching epistolary relationship, their lives unfolding alongside Roger's work-in-progress, the oddly titled *Glove Pond*, a Cheever-era novella gone horribly, horribly wrong. Through a complex layering of narratives, *The Gum Thief*, highlights number-one bestselling author Douglas Coupland's eye for the comedy, loneliness and strange comforts of contemporary life. On every page of this witty, wise and unforgettable novel, Coupland reminds us that love, death and eternal friendship can all transpire where we least expect them. And that even after tragedy seems to have wiped your human slate clean, stories can slowly rebuild you. I'm the dead girl whose locker you spat on somewhere between recess and lunch. I'm not really dead, but I dress like I want to be. There's something generic about girls like me: we hate the sun, we wear black, and we feel trapped inside our bodies like a nylon fur mascot at a football game. I wish I were dead most of the time. I can't believe the meat I got stuck with, and where I got stuck and with whom. I wish I were a ghost. And FYI, I'm not in school any more, but the spitting thing was real: a little moment that sums up life. I work in a Staples. I'm in charge of restocking aisles 2-North and 2-South: Sheet Protectors, Indexes & Dividers, Note books, Post-It Products, Paper Pads, Specialty Papers and “Social Stationery.” Do I hate this job? Are you nuts? Of course I hate it. How could you not hate it? Everyone who works with me is either already damaged or else they're embryos waiting to be damaged, fresh out of school and slow as a 1999 modem. Just because you've been born and made it through high school doesn't mean society can't still abort you. Wake up. Let me try to say something positive here. For balance. Staples allows me to wear black lipstick to work. —Bethany —from *The Gum Thief*
