Code Name: Lise Larry Loftis 2019-01-15 NATIONAL BESTSELLER A Goodreads Choice Awards semifinalist Florida Book Awards Silver Medalist Featured in The New York Times, The Atlantic, Time, New York Newsday, and on Today! Best Nonfiction Books to Read in 2019—Woman’s Day The Best Nonfiction Books Coming Out This Year—BookBub “A nonfiction thriller.”—The Wall Street Journal From New York Times and international bestselling author of the “gripping” (Michael Connelly, #1 New York Times bestselling author) Into the Lion’s Mouth comes the extraordinary true story of Odette Sansom, the British spy who operated in occupied France and fell in love with her commanding officer during World War II—perfect for fans of Unbroken, The Nightingale, and Code Girls. The year is 1942, and World War II is in full swing. Odette Sansom decides to follow in her war hero father’s footsteps by becoming an SOE agent to aid Britain and her beloved homeland, France. Five failed attempts and one plane crash later, she finally lands in occupied France to begin her mission. It is here that she meets her commanding officer Captain Peter Churchill. As they successfully complete mission after mission, Peter and Odette fall in love. All the while, they are being hunted by the cunning German secret police sergeant, Hugo Bleicher, who finally succeeds in capturing them. They are sent to Paris’s Fresnes prison, and from there to concentration camps in Germany where they are starved, beaten, and tortured. But in the face of despair, they never give up hope, their love for each other, or the whereabouts of their colleagues. In Code Name: Lise, Larry Loftis paints a portrait of true courage, patriotism, and love—of two incredibly heroic people who endured unimaginable horrors and degradations. He seamlessly weaves together the touching romance between Odette and Peter and the thrilling cat and mouse game between them and Sergeant Bleicher. With this amazing testament to the human spirit, Loftis proves once again that he is adept at writing “nonfiction that reads like a page-turning

novel" (Parade).

Almost Astronauts Tanya Lee Stone 2011-09-27 They had the right stuff. They defied the prejudices of the time. And they blazed a trail for generations of women to follow. What does it take to be an astronaut? Excellence at flying, courage, intelligence, resistance to stress, top physical shape -- any checklist would include these. But when America created NASA in 1958, there was another unspoken rule: you had to be a man. Here is the tale of thirteen women who proved that they were not only as tough as the toughest man but also brave enough to challenge the government. They were blocked by prejudice, jealousy, and the scrawled note of one of the most powerful men in Washington. But even though the Mercury 13 women did not make it into space, they did not lose, for their example empowered young women to take their place in the sky, piloting jets and commanding space capsules. ALMOST ASTRONAUTS is the story of thirteen true pioneers of the space age. Back matter includes an author's note, an appendix, further reading, a bibliography, sources, source notes, and an index.

Life Undercover Amaryllis Fox 2019-10-15 INSTANT NEW YORK TIMES

BESTSELLER "Fast and thrilling . . . Life Undercover reads as if a John le Carré character landed in Eat Pray Love." —The New York Times Amaryllis Fox's riveting memoir tells the story of her ten years in the most elite clandestine ops unit of the CIA, hunting the world's most dangerous terrorists in sixteen countries while marrying and giving birth to a daughter Amaryllis Fox was in her last year as an undergraduate at Oxford studying theology and international law when her writing mentor Daniel Pearl was captured and beheaded. Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover--the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent--an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.

The Code Book Simon Singh 2011-01-26 In his first book since the bestselling Fermat's Enigma, Simon Singh offers the first sweeping history of encryption, tracing its evolution and revealing the dramatic effects codes have had on wars, nations, and individual lives. From Mary, Queen of Scots, trapped by her own code, to the Navajo Code Talkers who helped the Allies win World War II, to the incredible (and incredibly simple) logistical breakthrough that made Internet commerce secure, The Code Book tells the story of the most powerful intellectual weapon ever known: secrecy.

Throughout the text are clear technical and mathematical explanations, and portraits of the remarkable personalities who wrote and broke the world's most difficult codes.

Accessible, compelling, and remarkably far-reaching, this book will forever alter your view of history and what drives it. It will also make you wonder how private that e-mail you just sent really is.

The Bastard Brigade Sam Kean 2019-07-09 From New York Times bestselling author Sam Kean comes the gripping, untold story of a renegade group of scientists and spies determined to keep Adolf Hitler from obtaining the ultimate prize: a nuclear bomb. Scientists have always kept secrets. But rarely have the secrets been as vital as they were during World War II. In the middle of building an atomic bomb, the leaders of the Manhattan Project were alarmed to learn that Nazi Germany was far outpacing the Allies in nuclear weapons research. Hitler, with just a few pounds of uranium, would have the capability to reverse the entire D-Day operation and conquer Europe. So they assembled a rough and motley crew of geniuses -- dubbed the Alsos Mission -- and sent them careening into Axis territory to spy on, sabotage, and even assassinate members of Nazi Germany's feared Uranium Club. The details of the mission rival the finest spy thriller, but what makes this story sing is the incredible cast of characters -- both heroes and rogues alike -- including: Moe Berg, the major league catcher who abandoned the game for a career as a multilingual international spy; the strangest fellow to ever play professional baseball. Werner Heisenberg, the Nobel Prize-winning physicist credited as the discoverer of quantum mechanics; a key contributor to the Nazi's atomic bomb project and the primary target of the Alsos mission. Colonel Boris Pash, a high school science teacher and veteran of the Russian Revolution who fled the Soviet Union with a deep disdain for Communists and who later led the Alsos mission. Joe Kennedy Jr., the charismatic, thrill-seeking older brother of JFK whose need for adventure led him to volunteer for the most dangerous missions the Navy had to offer. Samuel Goudsmit, a washed-up physics prodigy who spent his life hunting Nazi scientists -- and his parents, who had been swept into a concentration camp -- across the globe. Irène and Frederic Joliot-Curie, a physics Nobel-Prize winning power couple who used their unassuming status as scientists to become active members of the resistance. Thrust into the dark world of international espionage, these scientists and soldiers played a vital and largely untold role in turning back one of the darkest tides in human history.

The Honourable Schoolboy John le Carré 2011-06-07 In the second part of John le Carré's Karla Trilogy, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, The Honourable Schoolboy is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage. With an introduction by the author.

Harriet the Spy Louise Fitzhugh 2021-11-09 A groundbreaking book in its unflinchingly

honest portrayal of childhood dilemmas, "Harriet the Spy" remains one of the most acclaimed children's novels ever written.

True Spies Shana Galen 2013-09-03 He's Getting Tired of Deception...She Wants a Little Intrigue Baron Winslow Keating is honor-bound to finish one last mission as an elite spy for the Barbican group even though he just wants to go home and be with his family. But after years of secrecy and absence, his daughters hardly know him and his wife has given up on him. Lady Elinor has had enough of domestic boredom. She contemplates an affair with a rakish spy, only to discover a world of intrigue and treachery that she never knew existed. Even more shocking, her neglectful husband is suddenly very attentive-quite the jealous type-and apparently there is much more to him than she ever knew. Lord and Lady Spy Trilogy: Lord and Lady Spy (Book 1) True Spies (Book 2) Love and Let Spy (Book 3) Praise for Shana Galen: "Galen strikes the perfect balance between dangerous intrigue and sexy romance."-Booklist "A thrilling ride, filled with mystery, intrigue and romance."-Fresh Fiction on If You Give a Duke a Diamond

The Spy's Son Bryan Denson 2015-05-05 The true account of the Nicholsons, the father and son who sold national secrets to Russia. "One of the strangest spy stories in American history" (Robert Lindsey, author of *The Falcon and the Snowman*). Investigative reporter and Pulitzer Prize-finalist Bryan Denson tells the riveting story of the father and son co-conspirators who betrayed the United States. Jim Nicholson was one of the CIA's top veteran case officers. By day, he taught spycraft at the CIA's clandestine training center, The Farm. By night, he was a minivan-driving single father racing home to have dinner with his kids. But Nicholson led a double life. For more than two years, he had met covertly with agents of Russia's foreign intelligence service and turned over troves of classified documents. In 1997, Nicholson became the highest-ranking CIA officer ever convicted of espionage. But his duplicity didn't stop there. While behind the bars of a federal prison, the former mole systematically groomed the one person he trusted most to serve as his stand-in: his youngest son, Nathan. When asked to smuggle messages out of prison to Russian contacts, Nathan saw an opportunity to be heroic and to make his father proud. "Filled with fascinating details of the cloak-and-dagger techniques of KGB and CIA operatives, double agents, and spy catchers . . . A poignant and painful tale of family love, loyalty, manipulation and betrayal." —*The Oregonian*

I Spy A Naughty Game: Shado Agency Book 2 Jo Davis 2013-09-12 In the tantalizing second novel of erotic suspense in Jo Davis's sexy SHADO series, the mask slips and everything is revealed... Blaze Kelly, one of the Secret Homeland Defense Organization's top spies, is a powerful D/S master, and all raw male. Yet underneath his mask hides a wounded soul that aches for love. Emma Foster wears disguises too as part of her job for SHADO. But she's not excited about her next mission - with the man who broke her heart. Together they must infiltrate a group that plans to transfer a weapon of mass destruction into enemy hands - a mission that involves them in an illicit sexual game. As they are forced to explore their most dangerous desires, they face a challenge that could break even the steeliest of spies... Don't miss Jo Davis's paranormal romance alter-ego J. D. Tyler, and her dark, devastatingly sexy Alpha Pack series.

The Company We Keep Robert Baer 2012 A real-life "Mr. and Mrs. Smith, The

Company We Keep" is a portrait by bestselling CIA operative Robert Baer ("See No Evil") and his CIA shooter wife, Dayna, of life as it's really lived by a CIA couple.  
Top Secret Paul B. Janeczko 2006 Presents history, trivia, and code-breaking tales in a guide book to the world of secret writing that includes examples of a variety of codes and ciphers.

Washington's Spies Alexander Rose 2014 In 1778, George Washington unleashed an unlikely ring of spies in New York to discover British battle plans.

Fallout Steve Sheinkin 2021-09-07 New York Times bestselling author Steve Sheinkin presents a follow up to his award-winning book Bomb: The Race to Build--and Steal--the World's Most Dangerous Weapon, taking readers on a terrifying journey into the Cold War and our mutual assured destruction. As World War II comes to a close, the United States and the Soviet Union emerge as the two greatest world powers on extreme opposites of the political spectrum. After the United States showed its hand with the atomic bomb in Hiroshima, the Soviets refuse to be left behind. With communism sweeping the globe, the two nations begin a neck-and-neck competition to build even more destructive bombs and conquer the Space Race. In their battle for dominance, spy planes fly above, armed submarines swim deep below, and undercover agents meet in the dead of night. The Cold War game grows more precarious as weapons are pointed towards each other, with fingers literally on the trigger. The decades-long showdown culminates in the Cuban Missile Crisis, the world's close call with the third—and final—world war. A Shelf Awareness Best Children's Book of 2021 A Chicago Public Library Best of the Best Book of 2021 A Horn Book Fanfare Best Book of the Year Praise for BOMB: A Newbery Honor book A National Book Awards finalist for Young People's Literature A Washington Post Best Kids Books of the Year title "This is edge-of-the seat material that will resonate with YAs who clamor for true spy stories, and it will undoubtedly engross a cross-market audience of adults who dozed through the World War II unit in high school." —BCCB, starred review "...reads like an international spy thriller, and that's the beauty of it." —School Library Journal, starred review "[A] complicated thriller that intercuts action with the deftness of a Hollywood blockbuster." —Booklist, , starred review "A must-read..." —Publishers Weekly, starred review "A superb tale of an era and an effort that forever changed our world." —Kirkus Also by Steve Sheinkin: The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights Undefeated: Jim Thorpe and the Carlisle Indian School Football Team Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War Born to Fly: The First Women's Air Race Across America Betrayal in Berlin Steve Vogel 2019-09-24 "A riveting and vivid account. ... A remarkable story. ... It reads like a Hollywood screenplay." —Foreign Affairs The astonishing true story of the Berlin Tunnel, one of the West's greatest espionage operations of the Cold War—and the dangerous Soviet mole who betrayed it. Its code name was "Operation Gold," a wildly audacious CIA plan to construct a clandestine tunnel into East Berlin to tap into critical KGB and Soviet military telecommunication

lines. The tunnel, crossing the border between the American and Soviet sectors, would have to be 1,500 feet (the length of the Empire State Building) with state-of-the-art equipment, built and operated literally under the feet of their Cold War adversaries. Success would provide the CIA and the British Secret Intelligence Service access to a vast treasure of intelligence. Exposure might spark a dangerous confrontation with the Soviets. Yet as the Allies were burrowing into the German soil, a traitor, code-named Agent Diamond by his Soviet handlers, was burrowing into the operation itself. . . . Betrayal in Berlin is Steve Vogel's heart pounding account of the operation. He vividly recreates post-war Berlin, a scarred, shadowy snake pit with thousands of spies and innumerable cover stories. It is also the most vivid account of George Blake, perhaps the most damaging mole of the Cold War. Drawing upon years of archival research, secret documents, and rare interviews with Blake himself, Vogel has crafted a true-life spy story as thrilling as the novels of John le Carré and Len Deighton. Betrayal in Berlin includes 24 photos and two maps.

You Call This Democracy? Elizabeth Rusch 2020-03-31 America is the greatest democracy in the world . . . isn't it? Author Elizabeth Rusch examines some of the more problematic aspects of our government but, more importantly, offers ways for young people to fix them. The political landscape has never been so tumultuous: issues with the electoral college, gerrymandering, voter suppression, and a lack of representation in the polls and in our leadership have led to Americans of all ages asking, How did we get here? The power to change lies with the citizens of this great country--especially teens Rather than pointing fingers at people and political parties, You Call This Democracy? looks at flaws in the system--and offers a real way out of the mess we are in. Each chapter breaks down a different problem plaguing American democracy, exploring how it's undemocratic, offering possible solutions (with examples of real-life teens who have already started working toward them), and suggesting ways to effect change--starting NOW

The Princess Spy Larry Loftis 2021-02-09 INSTANT NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER "As exciting as any spy novel" (Daily News, New York), The Princess Spy follows the hidden history of an ordinary American girl who became one of the OSS's most daring World War II spies before marrying into European nobility. Perfect for fans of *A Woman of No Importance* and *Code Girls*. When Aline Griffith was born in a quiet suburban New York hamlet, no one had any idea that she would go on to live "a life of glamour and danger that Ingrid Bergman only played at in *Notorious*" (Time). As the United States enters the Second World War, the young college graduate is desperate to aid in the war effort, but no one is interested in a bright-eyed young woman whose only career experience is modeling clothes. Aline's life changes when, at a dinner party, she meets a man named Frank Ryan and reveals how desperately she wants to do her part for her country. Within a few weeks, he helps her join the Office of Strategic Services—forerunner of the CIA. With a code name and expert training under her belt, she is sent to Spain to be a coder, but is soon given the additional assignment of infiltrating the upper echelons of society, mingling with high-ranking officials, diplomats, and titled Europeans. Against this glamorous backdrop of galas and dinner parties, she recruits sub-agents and engages in deep-cover espionage. Even after marrying the Count of Romanones, one of the wealthiest men in Spain, Aline secretly continues her covert activities, being given

special assignments when abroad that would benefit from her impeccable pedigree and social connections. “[A] meticulously researched, beautifully crafted work of nonfiction that reads like a James Bond thriller” (Bookreporter), *The Princess Spy* brings to vivid life the dazzling adventures of a spirited American woman who risked everything to serve her country.

*The Woman Who Smashed Codes* Jason Fagone 2017-09-26 National Bestseller NPR Best Book of the Year “Not all superheroes wear capes, and Elizebeth Smith Friedman should be the subject of a future Wonder Woman movie.” —The New York Times

Joining the ranks of *Hidden Figures* and *In the Garden of Beasts*, the incredible true story of the greatest codebreaking duo that ever lived, an American woman and her husband who invented the modern science of cryptology together and used it to confront the evils of their time, solving puzzles that unmasked Nazi spies and helped win World War II. In 1916, at the height of World War I, brilliant Shakespeare expert Elizebeth Smith went to work for an eccentric tycoon on his estate outside Chicago. The tycoon had close ties to the U.S. government, and he soon asked Elizebeth to apply her language skills to an exciting new venture: code-breaking. There she met the man who would become her husband, groundbreaking cryptologist William Friedman. Though she and Friedman are in many ways the "Adam and Eve" of the NSA, Elizebeth's story, incredibly, has never been told. In *The Woman Who Smashed Codes*, Jason Fagone chronicles the life of this extraordinary woman, who played an integral role in our nation's history for forty years. After World War I, Smith used her talents to catch gangsters and smugglers during Prohibition, then accepted a covert mission to discover and expose Nazi spy rings that were spreading like wildfire across South America, advancing ever closer to the United States. As World War II raged, Elizebeth fought a highly classified battle of wits against Hitler's Reich, cracking multiple versions of the Enigma machine used by German spies. Meanwhile, inside an Army vault in Washington, William worked furiously to break Purple, the Japanese version of Enigma—and eventually succeeded, at a terrible cost to his personal life. Fagone unveils America's code-breaking history through the prism of Smith's life, bringing into focus the unforgettable events and colorful personalities that would help shape modern intelligence. Blending the lively pace and compelling detail that are the hallmarks of Erik Larson's bestsellers with the atmosphere and intensity of *The Imitation Game*, *The Woman Who Smashed Codes* is page-turning popular history at its finest.

*The Dark Game* Paul B. Janeczko 2010 Describes the contributions and techniques of American spies over the course of the past two centuries, recounting dramatic missions while profiling such historical figures as anti-slavery spy Elizabeth Van Lew and the "Choctaw code talkers."

*The Bucharest Dossier* William Maz 2022-03-15 Chanticleer International Book Awards 2020 Grand Prize Winner in Global Thrillers 2022 National Indie Excellence Award Winner for Thriller Bill Hefflin is a man apart—apart from life, apart from his homeland, apart from love At the start of the 1989 uprising in Romania, CIA analyst Bill Hefflin—a disillusioned Romanian expat—arrives in Bucharest at the insistence of his KGB asset, code-named Boris. As Hefflin becomes embroiled in an uprising that turns into a brutal revolution, nothing is as it seems, including the search for his childhood love, which has taken on mythical proportions. With the bloody events unfolding at blinding speed,

Hefflin realizes the revolution is manipulated by outside forces, including his own CIA and Boris—the puppeteer who seems to be pulling all the strings of Hefflin's life. The Bourne Identity Meets John le Carre's *The Spy Who Came In from the Cold*

The Spy and the Traitor Ben Macintyre 2018-09-18 NEW YORK TIMES BESTSELLER

- The celebrated author of *Double Cross* and *Rogue Heroes* returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. “The best true spy story I have ever read.”—JOHN LE CARRÉ Named a Best Book of the Year by *The Economist* • Shortlisted for the Baillie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation's communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union's top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence plots, as the Soviet leadership grew increasingly paranoid at the United States's nuclear first-strike capabilities and brought the world closer to the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky's name to its counterparts in the CIA, which in turn grew obsessed with figuring out the identity of Britain's obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky's nail-biting escape from Moscow in 1985, Ben Macintyre's latest may be his best yet. Like the greatest novels of John le Carré, it brings readers deep into a world of treachery and betrayal, where the lines bleed between the personal and the professional, and one man's hatred of communism had the power to change the future of nations.

How to Catch a Russian Spy Naveed Jamali 2015-06-23 With an epilogue on recent Russian spying, a “page-turner of a memoir” (*Publishers Weekly*) about an American civilian with a dream, who worked as a double agent with the FBI in the early 2000s to bring down a Russian intelligence agent in New York City. For three nerve-wracking years, from 2005 to 2008, Naveed Jamali spied on America for the Russians, trading thumb drives of sensitive technical data for envelopes of cash, selling out his beloved country across noisy restaurant tables and in quiet parking lots. Or so the Russians believed. In fact, Jamali was a covert double agent working with the FBI. The Cold War wasn't really over. It had just gone high-tech. “A classic case of American counterespionage from the inside...a never-ending game of cat and mouse” (*The Wall Street Journal*), *How to Catch a Russian Spy* is the story of how one young man's post-college-adventure became a real-life intelligence coup. Incredibly, Jamali had no previous counterespionage experience. Everything he knew about undercover work he'd picked up from TV cop shows and movies, yet he convinced the FBI and the Russians they could trust him. With charm, cunning, and bold naiveté, he matched wits with a veteran Russian military-intelligence officer, out-maneuvering him and his

superiors. Along the way, Jamali and his FBI handlers exposed espionage activities at the Russian Mission to the United Nations. Jamali now reveals the full riveting story behind his double-agent adventure—from coded signals on Craigslist to clandestine meetings at Hooter's to veiled explanations to his worried family. He also brings the story up to date with an epilogue showing how the very same playbook the Russians used on him was used with spectacularly more success around the 2016 election.

Cinematic, news-breaking, and "an entertaining and breezy read" (The Washington Post), *How to Catch a Russian Spy* is an armchair spy fantasy brought to life.

*Double Cross* Ben Macintyre 2012-01-01 The number one bestselling author of *Agent Zigzag* and *Operation Mincemeat* exposes the true story of the D Day Spies.

*True Believer* Kati Marton 2016-09-06 This book transports the reader to a turbulent era in which fascism and Communism are on the rise and America retreats from the world. Noel Field joined the secret underground of the international Communist movement during a time of national collapse, when Communism promised the righting of all social and political wrongs. Many in Field's generation were seduced by its siren song, but none paid a higher price for his betrayal of his country and his family than Field. With a reporter's eye and a historian's grasp of the cataclysmic events of the twentieth century, Kati Marton captures Field's futile and tragic quest for a life of meaning, which caused his and his family's near destruction. Marton gained access to previously unavailable Soviet secret police records, reporting on figures from Alger Hiss, CIA Director Allen Dulles, and "Wild Bill" Donovan to Josef Stalin. She also had access to Field family correspondence, which offers an intimate portrait of the human drama. The story of an idealistic young American captured by a poisonous belief and manipulated by demagogues, *True Believer* is a book for our troubled time.--From dust jacket.

*American Spy* Lauren Wilkinson 2019-02-12 "American Spy updates the espionage thriller with blazing originality."—Entertainment Weekly "There has never been anything like it."—Marlon James, *GQ* "So much fun . . . Like the best of John le Carré, it's extremely tough to put down."—NPR NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • Entertainment Weekly • Esquire • BuzzFeed • Vulture • Real Simple • Good Housekeeping • The New York Public Library What if your sense of duty required you to betray the man you love? It's 1986, the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She's brilliant, but she's also a young black woman working in an old boys' club. Her career has stalled out, she's overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she's given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has made him a target for American intervention, she says yes. Yes, even though she secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she's being offered the job because of her appearance and not her talent. In the year that follows, Marie will observe Sankara, seduce him, and ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events—Thomas

Sankara is known as “Africa’s Che Guevara”—American Spy knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you’ve never seen before, and it introduces a powerful new literary voice. NOMINATED FOR THE NAACP IMAGE AWARD • Shortlisted for the Center for Fiction First Novel Prize “Spy fiction plus allegory, and a splash of pan-Africanism. What could go wrong? As it happens, very little. Clever, bracing, darkly funny, and really, really good.”—Ta-Nehisi Coates “Inspired by real events, this espionage thriller ticks all the right boxes, delivering a sexually charged interrogation of both politics and race.”—Esquire “Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, American Spy lays our complicities—political, racial, and sexual—bare. Packed with unforgettable characters, it’s a stunning book, timely as it is timeless.”—Paul Beatty, Man Booker Prizewinning author of The Sellout

The Unlikely Spy Daniel Silva 2003-05-06 #1 New York Times bestselling author Daniel Silva’s celebrated debut novel, The Unlikely Spy, is “A ROLLER-COASTER WORLD WAR II ADVENTURE that conjures up memories of the best of Ken Follett and Frederick Forsyth” (The Orlando Sentinel). “In wartime,” Winston Churchill wrote, “truth is so precious that she should always be attended by a bodyguard of lies.” For Britain’s counterintelligence operations, this meant finding the unlikeliest agent imaginable—a history professor named Alfred Vicary, handpicked by Churchill himself to expose a highly dangerous, but unknown, traitor. The Nazis, however, have also chosen an unlikely agent. Catherine Blake is the beautiful widow of a war hero, a hospital volunteer—and a Nazi spy under direct orders from Hitler: uncover the Allied plans for D-Day...

The Dark Game 2010 Describes the contributions and techniques of American spies over the course of the past two centuries, recounting dramatic missions while profiling such historical figures as anti-slavery spy Elizabeth Van Lew and the "Choctaw code talkers."

The Formative Years of an African-American Spy Odell Bennett Lee 2012-12-19 The author describes his early life, growing up in a dysfunctional family, and how he ended up becoming a CIA case officer.

Best of Enemies Gus Russo 2018-10-02 The thrilling story of two Cold War spies, CIA case officer Jack Platt and KGB agent Gennady Vasilenko -- improbable friends at a time when they should have been anything but. In 1978, CIA maverick Jack Platt and KGB agent Gennady Vasilenko were new arrivals on the Washington, DC intelligence scene, with Jack working out of the CIA's counterintelligence office and Gennady out of the Soviet Embassy. Both men, already notorious iconoclasts within their respective agencies, were assigned to seduce the other into betraying his country in the urgent final days of the Cold War, but instead the men ended up becoming the best of friends-blood brothers. Theirs is a friendship that never should have happened, and their story is chock full of treachery, darkly comic misunderstandings, bureaucratic inanity, the Russian Mafia, and landmark intelligence breakthroughs of the past half century. In BEST OF ENEMIES, two espionage cowboys reveal how they became key behind-the-scenes players in solving some of the most celebrated spy stories of the twentieth century, including the crucial discovery of the Soviet mole Robert Hanssen, the 2010 Spy Swap which freed Gennady from Soviet imprisonment, and how Robert De Niro played a real-life role in helping Gennady stay alive during his incarceration in Russia

after being falsely accused of spying for the Americans. Through their eyes, we see the distinctions between the Russian and American methods of conducting espionage and the painful birth of the new Russia, whose leader, Vladimir Putin, dreams he can roll back to the ideals of the old USSR.

Mother Night Kurt Vonnegut 2009-08-11 "Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."—Time  
Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."—Cincinnati Enquirer "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"—Commonweal

The Scarlet Stockings Spy Trinka Hakes Noble 2011-08-18 Philadelphia 1777 is no place for the faint of heart. The rumble of war with the British grows louder each day, and spies for and against the Patriots are everywhere. No one is above suspicion. Still, everyday life must go on and young Maddy Rose must help her mother, especially since her father's death at the Battle of Princeton and now with her beloved brother Jonathan off with Washington's army. But when childhood games become life-and-death actions, Maddy Rose is drawn ever deeper into events that will explode beyond her imagining. As young America stands on the very brink of its fight for freedom, it becomes clear that even the smallest of citizens can play the largest of parts, and that the role of a patriot has nothing to do with age and everything to do with heart. In *The Scarlet Stockings Spy*, Trinka Hakes Noble melds a suspenseful tale of devotion, sacrifice, and patriotism with the stark realities of our country's birth. Noted picture book author and illustrator Trinka Hakes Noble has pursued the study of children's book writing and illustrating in New York City at Parsons School of Design, the New School University, Caldecott medalist Uri Shulevitz's Greenwich Village Workshop, and New York University. She has authored and illustrated numerous books including the popular Jimmy's Boa series, which has been translated into six languages. Trinka lives in Bernardsville, New Jersey. *The Scarlet Stockings Spy* is her first book with Sleeping Bear Press. Because Robert Papp's childhood drawings of his favorite superheros were such a pleasure, it was only natural that he would wind up an illustrator. Nowadays, his award-winning artwork appears on book covers and in magazines instead of on the refrigerator. He has produced hundreds of cover illustrations for major publishers across the United States. Robert lives in historic Bucks County, Pennsylvania.

Agent Sonya Ben Macintyre 2020-09-15 NEW YORK TIMES BESTSELLER • The "master storyteller" (San Francisco Chronicle) behind the New York Times bestseller *The Spy and the Traitor* uncovers the true story behind one of the Cold War's most intrepid spies. "[An] immensely exciting, fast-moving account."—The Washington Post  
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Foreign Affairs • Kirkus Reviews • Library Journal  
In 1942, in a quiet village in the leafy English Cotswolds, a thin, elegant woman lived in a small cottage with her three children and her husband, who worked as a machinist nearby. Ursula Burton was friendly but reserved, and spoke English with a slight foreign accent. By all accounts, she seemed to be living a simple, unassuming life. Her neighbors in the village knew little about her. They didn't know that she was a high-ranking Soviet intelligence officer. They didn't know that her

husband was also a spy, or that she was running powerful agents across Europe. Behind the facade of her picturesque life, Burton was a dedicated Communist, a Soviet colonel, and a veteran agent, gathering the scientific secrets that would enable the Soviet Union to build the bomb. This true-life spy story is a masterpiece about the woman code-named "Sonya." Over the course of her career, she was hunted by the Chinese, the Japanese, the Nazis, MI5, MI6, and the FBI—and she evaded them all. Her story reflects the great ideological clash of the twentieth century—between Communism, Fascism, and Western democracy—and casts new light on the spy battles and shifting allegiances of our own times. With unparalleled access to Sonya's diaries and correspondence and never-before-seen information on her clandestine activities, Ben Macintyre has conjured a page-turning history of a legendary secret agent, a woman who influenced the course of the Cold War and helped plunge the world into a decades-long standoff between nuclear superpowers.

*Behind Enemy Lines* Marthe Cohn 2006-03 An inspirational memoir chronicles the exploits and experiences of a young Jewish woman who ventured behind enemy lines and masqueraded as a German nurse searching for her soldier boyfriend among Nazi forces in order to acquire critical information about German troop movements for the allies. Reprint. 10,000 first printing.

*A Perfect Spy* John le Carré 2011-07-20 "The best English novel since the war." -- Philip Roth Over the course of his seemingly irreproachable life, Magnus Pym has been all things to all people: a devoted family man, a trusted colleague, a loyal friend—and the perfect spy. But in the wake of his estranged father's death, Magnus vanishes, and the British Secret Service is up in arms. Is it grief, or is the reason for his disappearance more sinister? And who is the mysterious man with the sad moustache who also seems to be looking for Magnus? In *A Perfect Spy*, John le Carré has crafted one of his crowning masterpieces, interweaving a moving and unusual coming-of-age story with a morally tangled chronicle of modern espionage.

*The Dark Game* Paul B. Janeczko 2012-09-11 "A wealth of information in an engaging package." — Kirkus Reviews Ever since George Washington used them to help topple the British, spies and their networks have helped and hurt America at key moments in history. In this fascinating collection, Paul B. Janeczko probes examples from clothesline codes to surveillance satellites and cyber espionage. Colorful personalities, daring missions, the feats of the loyal, and the damage of traitors are interspersed with a look at the technological advances that continue to change the rules of gathering intelligence. Back matter includes source notes and a bibliography.

*State of the Union Addresses* Franklin D. Roosevelt 2022-06-02 The 1934 State of the Union Address was given by the 32nd president of the United States, Franklin D. Roosevelt. It was the first State of the Union address to be given in January. Excerpt: "Now that we are definitely in the process of recovery, lines have been rightly drawn between those to whom this recovery means a return to old methods—and the number of these people is small—and those for whom recovery means a reform of many old methods, a permanent readjustment of many of our ways of thinking and therefore of many of our social and economic arrangements... "

*The Most Dangerous Game* Richard Connell 2021-01-01 ?? *The Most Dangerous Game* by Richard Connell ?? *The Most Dangerous Game*, also published as *The Hounds of Zaroff*, is a short story by Richard Connell first published in *Collier's*

magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. ?? The Most Dangerous Game by Richard Connell ?? Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. ?? The Most Dangerous Game by Richard Connell ?? Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. ?? The Most Dangerous Game by Richard Connell ?? After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.

The Dark Game Paul B. Janeczko 2010 A collection of true spy stories from throughout the history of the United States, discussing personalities, missions, traitors, technological advances, and more.

In Disguise! Ryan Ann Hunter 2013-02-12 Investigate real-life adventures of espionage in this collection of impressive and inspiring profiles. Spanning more than 300 years and numerous countries, In Disguise! details the lives of some of history's most daring women, all of whom risked their lives to stand up for their beliefs. Originally published a decade ago, this fully updated and expanded edition of In Disguise! profiles twenty-eight daring international secret agents, from Harriet Tubman, who freed hundreds of

slaves during the Civil War, to Eva Wu, who hid secret messages in her hair to aid the Chinese Revolution, to the modern-day exploits of former CIA agent Valerie Plame. With riveting narratives, fun quizzes to determine if you have what it takes to go undercover, secret-agent trivia, and short spotlight bios, *In Disguise!* is sure to engage and inspire.

The Billion Dollar Spy David E. Hoffman 2015-07-07 From the author of the Pulitzer Prize-winning history *The Dead Hand* comes the riveting story of a spy who cracked open the Soviet military research establishment and a penetrating portrait of the CIA's Moscow station, an outpost of daring espionage in the last years of the Cold War While driving out of the American embassy in Moscow on the evening of February 16, 1978, the chief of the CIA's Moscow station heard a knock on his car window. A man on the curb handed him an envelope whose contents stunned U.S. intelligence: details of top-secret Soviet research and developments in military technology that were totally unknown to the United States. In the years that followed, the man, Adolf Tolkachev, an engineer in a Soviet military design bureau, used his high-level access to hand over tens of thousands of pages of technical secrets. His revelations allowed America to reshape its weapons systems to defeat Soviet radar on the ground and in the air, giving the United States near total superiority in the skies over Europe. One of the most valuable spies to work for the United States in the four decades of global confrontation with the Soviet Union, Tolkachev took enormous personal risks—but so did the Americans. The CIA had long struggled to recruit and run agents in Moscow, and Tolkachev was a singular breakthrough. Using spy cameras and secret codes as well as face-to-face meetings in parks and on street corners, Tolkachev and his handlers succeeded for years in eluding the feared KGB in its own backyard, until the day came when a shocking betrayal put them all at risk. Drawing on previously secret documents obtained from the CIA and on interviews with participants, David Hoffman has created an unprecedented and poignant portrait of Tolkachev, a man motivated by the depredations of the Soviet state to master the craft of spying against his own country. Stirring, unpredictable, and at times unbearably tense, *The Billion Dollar Spy* is a brilliant feat of reporting that unfolds like an espionage thriller.
