Let's Get Committed They used to chat and then they used to chat again. Till 5'o clock in the morning. 'N' then they used to chat again. And then after few hints from Radhika, Apurv confirmed that if it came to going out on a date 'I will choose you'. And he chose her on 26th March 2008. Nidhi, the girl who is juggling two guys at a time. Akshat 'grim geek' who's girlfriend is soon to be married to someone else. One Life, One Love Rochak Bhatnagar 2014-05-27 Love, the most intriguing, mystical and vibrant emotion ever experienced by humans. Nevertheless, it is also the most complex and yet to be understood emotion. Ask anyone what love is? And the most common answer you would get is, 'it is a feeling which cannot be completely defined'. Strange but true. An emotion which in the history of mankind has changed destinies and shaped millions of lives is still not fully comprehended. But, if you ask this question to 'Rishi Sinha' the only answer you will get is 'Ananya Tripathi'. Life has completely changed since the day he confessed his love for her. The Three Musketeers Alexandre Dumas 2016-07-02 In old times, all brave warriors wanted to become musketeers. This novel's background is in Europe, where the concept of musketeer (a soldier with a gun) was very popular nearly 250 years ago. This is a thrilling story of three friends who work as musketeers. It entertains and educates teenagers. Young D'Artagnan arrives in Paris to join the King's elite guards, but almost immediately finds he is duelling with some of the very men he has come to swear allegiance to—Porthos, Athos and Aramis, inseparable friends—the Three Musketeers. Soon part of their close band, D'Artagnan's loyalty to his new allies puts him in the deadly path of Cardinal Richlieu's machinations. And when the young hero

falls in love with the beautiful but inaccessible Constance, he finds himself in a world of murder, conspiracy and lies, with only the Musketeers to depend on. A stirring nineteenth-century tale of friendship and adventure, 'The Three Musketeers' continues to be one of the most influential and popular pieces of French literature. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Ulysses James Joyce 2016-05-04 'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Indian Fairy Tales (Illustrated Edition) Joseph Jacobs 2016-09-17 This book is a representative collection of twenty-nine Fairy Tales of India. Take a literary tour through India's rich folk tale tradition in this comprehensive volume by historian and folklorist Joseph Jacobs. These Indian tales resemble the stories that flourished in Europe, such as the tales by the Brothers Grimm and by Aesop, although they have an Indian flavor. The collector of these stories contends that they are very old, older than the legends and folk-tales that later flourished in Europe. He believes that India was the originator of this genre and the stories were possibly brought to Europe by the crusaders or other

travelers that passed through India. The stories in this edition are amply illustrated.

Anna Sewell's beloved classic reveals as much about human conduct and the social ills of the time as it does about the treatment of animals. Animal lovers of all ages will cherish this memorable story.
