Her story will break you down and lift you up." —Glennon Doyle, author of the #1 New York Times bestseller *Love Warrior* and founder of Together Rising While on her way to teach a yoga retreat in March 2014, Rachel Brathen collapses at an airport, brought to her knees by excruciating stomach pains. She is rushed to the hospital on the tiny island of Bonaire, and hours later forced to undergo surgery. When she wakes up from anesthesia, her boyfriend is weeping at her bedside. While Rachel was struck down with seemingly mysterious pain, her best friend, Andrea, sustained fatal injuries as a result of a car accident. Rachel and Andrea had a magical friendship. Though they looked nothing alike—one girl tall, blond, and Swedish, the other short, brunette, and Colombian—everyone called them *gemelas*: twins. Over the three years following Andrea's death, at what might appear from the outside to be the happiest time—with her engagement to the man she loves and a blossoming career that takes her all over the world—Rachel faces a series of trials that have the potential to define her life. Unresolved grief and trauma from her childhood make the weight of her sadness unbearable. At each turn, she is confronted again and again with a choice: Will she lose it all, succumb to grief, and grasp for control that's beyond her reach? Or can she move through the loss and let go? When Rachel and her husband conceive a child, pregnancy becomes a time to heal and an opportunity to be reborn herself. As she recounts this transformative period, Rachel shares her hard-won wisdom about life and death, love and fear, what it means to be a mother and a daughter, and how to become someone who walks through the fire of adversity with the never-ending practice of loving hard and letting go.

My Eyes Are Up Here Laura Zimmermann 2021-05 *My Eyes Are Up Here* is a razor-sharp debut about a girl struggling to rediscover her sense of self in the year after her body decided to change all the rules. If Greer Walsh could only live inside her head, life would be easier. She'd be able to focus on excelling at math or negotiating peace talks between her best friend and . . . everyone else. She wouldn't spend any time worrying about being the only Kennedy High student whose breasts are bigger than her head. But you can't play volleyball inside your head. Or go to the pool. Or have confusingly date-like encounters with the charming new boy. You need an actual body for all of those things. And Greer is entirely uncomfortable in hers. Hilarious and heartbreakingly honest, *My Eyes Are Up Here* is a story of awkwardness and ferocity, of imaginary butterflies and rock-solid friends. It's the story of a girl finding her way out of her oversized sweatshirt and back into the real world.

She is content to focus on her collection of "first lines" (her favorite opening lines from novels) and her dog, Alice Walker, when out-of-the-blue Ozzie calls her on her thirty-second birthday. But after all these years, Ozzie hasn't called her to wish a happy birthday. Instead, she tells Nora that Grace attempted suicide and is pleading for The Invisibles to convene again. Nora is torn: she is thrilled at the thought of being in touch with her friends, and yet she is hesitant at seeing these women after such a long and silent period of time. Bolstered by her friends at the library, Nora joins The Invisibles in Chicago for a reunion that sets off an extraordinary chain of events that will change each of their lives forever. Named a Most Anticipated Book of 2022 by Oprah Daily ? Today ? Parade ? Marie Claire ? Bustle ? PopSugar ? Katie Couric Media ? Book Bub ? SheReads ? Medium ? The Washington Post ? and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.
